Correspondence ending with letter No. D. Dis. 2156-115 of 48-49, dated 10th February 1949, from the Director of Public Instruction, regarding the opening of a Girls' High School at Holenarsipur.

ORDER THEREON No. E. 14280-2—EDN. 44-48-98, DATED BANGALORE, THE 23RD JUNE 1949.

In October 1948, the President, Municipal Council, Holenarsipur made a representation for opening of a Girls' High School at the place. He stated that a donor has donated a building costing about forty thousand rupees for the location of the High School.

Thereupon the Director of Public Instruction was requested to submit detailed proposals for opening a Girls' High School at Holenarsipur. He states that there are forty girls studying in the Municipal High School, Holenarsipur, and a good many parents who have declined to send their

daughters to the Boys' High School would greatly appreciate a separate High School for girls and readily take advantage of it and get their children admitted into it.

As regards the building, it is stated that the owners of Kuruhinasetty Hostel have been pleased to give a building worth about Rs. 30,000 to Rs. 40,000 free of cost and permanently for the purpose and that the Municipal Council has accepted the donation. It is also reported that after necessary alterations the building would be suitable for the school and that the donors are agreeable to effect such changes as are needed.

In the circumstances mentioned, the Director of Public Instruction recommends sanction to the opening of a Girls' High School at Holenarsipur with all the three classes. The expenditure required is Rs. 11,958 14/15 recurring and Rs. 7,500 non-recurring as detailed in the statement appended.

Sanction is accorded to the opening of a Girls' High School at Holenarsipur with effect from the year 1949-50 with all the three classes. The expenditure required during the year 1949-50 will be met out of the sum of Rs. 11,000 made in the budget for the purpose and from the sanctioned grants of the Education Department and the necessary provision will be made in the Budgets of the succeeding years.
